THE 1956 ARGO

Westminster College New Wilmington, Pennsylvania

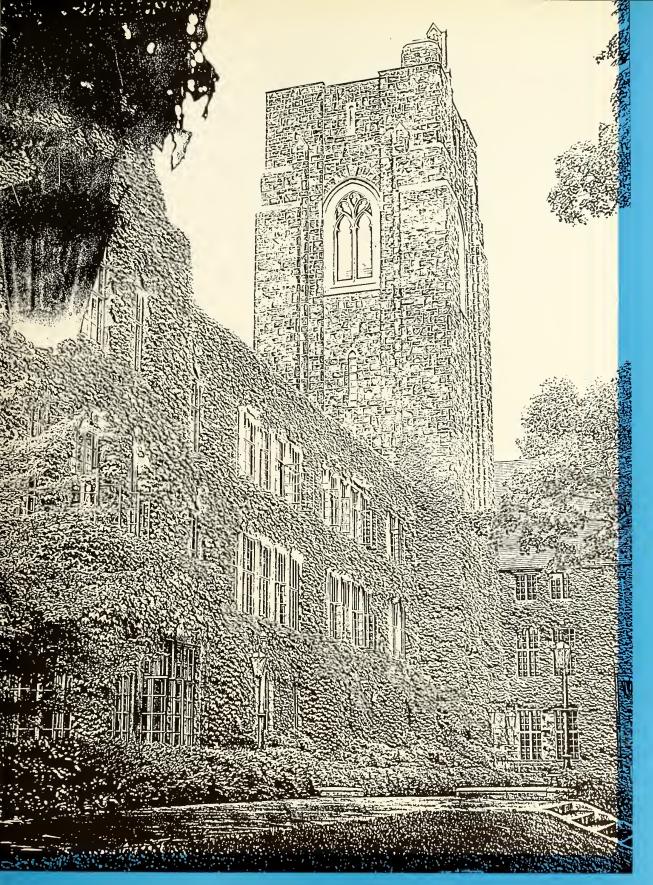

1955 - 56

MILTON W. LODIE

GEORGE MASTERTON

EDITOR - IN - CHIEF

ADVISOR

ARGO

IN MEMORIAM . . .

"ASK MISS NIXON" was the answer to almost any problem whether large or small. Not only was Miss Nixon an outstanding Journalist, but also a warm hearted and friendly person.

Miss Nixon constantly upheld the high standards of her profession even when the odds seemed overwhelming. Journalism graduates realize how much she really taught them and how much she did to make the Journalism department known all over the United States.

We proudly dedicate to Miss Elizabeth Nixon the Argo 1956, a typical long assignment.

THE ADMINISTRATION and FACULTY

THE PRESIDENT

A college must grow in order to remain strong. Under the guidance of President Will W. Orr and his administration, Westminster has embarked on a building program which will greatly increase its educational facilities. Dr. Orr came to Westminster in the spring of 1949 and since then the campus has had a great number of needed improvements. Plans for the future will place Westminster high among the nation's beautiful and well-equipped colleges.

THE DEPARTMENTS

With more than 85 full and part-time professors this year, the faculty boasts a higher percentage of doctorates than at any time in Westminster history. Along with added and improved physical facilities they provide a rich future for the college.

As a liberal arts institution, Westminster requires her students to take a variety of courses. Bible, English, Humanities, Fine Arts, Languages, Science, Speech and other fields are explored before the student seriously studies his major field. Even in the junior and senior years most students enjoy electing unrequired courses in other departments. On the following pages are our departments and the nearly 25 major fields students may pursue.

ART

That Gramma Moses is out of this world!

Through the variety of courses offered, students receive a well-rounded background in creative art and art history. These courses leading to a Bachelor of Arts degree are supplemented by art education for elementary education majors and "dabbler" courses for those who just like to paint.

In addition to the regular lab work, students visit art galleries and museums in Pittsburgh and Youngstown, as well as area art exhibits. They also hold an annual show of their own each spring in the library. Several students have had their work in Youngstown shows.

Not content with the soda fountain in the TUB, last year's freshman art classes set about improving it under the direction of Mr. Jack Taylor, art instructor. They did this by painting a mural depicting various phases of student life here at Westminster.

Mr. Taylor, the department's only instructor, is now working on his doctorate at Pennsylvania State University. He recently won a prize for an oil painting in a Butler Art Institute exhibit.

BIBLE AND PHILOSOPHY

Here's where I'm preachin' next Sunday

For those planning to enter the ministry or do religious work after graduation, a wide range and variety of courses and combination majors are offered by the Bible-Philosophy department. Majors in Bible, Bible-Philosophy-Psychology, Bible-History and Bible-Language are planned to give the student a broader and more liberal education best suited to his needs.

To meet the two years of Bible required of every student, courses are offered in Old and New Testament, prophecy, apostolic history and wisdom literature. Through these courses the student's knowledge is increased and organized, helping to prepare him for Christian service.

Dr. Wayne Christy is head of the department and professor of Bible. Assisting him are Dr. Joseph Hopkins and Dr. Norman Adams, who came to Westminster last fall. Mr. Thomas Gregory, instructor of philosophy, is working on his doctor's dissertation at the University of Pennsylvania.

Karux, pre-ministerial group, Christian Service Group and Christian Youth Fellowship are closely connected to the department.

BIOLOGY

Is it Really, Really Real

Formaldehyde, amoebas, dogfish sharks, rats, frogs, mud puppies and lab practicals all suggest biology courses to the Westminster student. To the majors the words "lab practical" especially send them running to their books or specimens for additional cramming and inspection.

The department offers courses leading to a Bachelor of Science degree. Students majoring in biology may eventually teach, do lab work or enter a number of professional schools.

Dr. Myron Simpson, chairman of the department, teaches the pre-medical courses. Mrs. Lucille Frey instructs the majors in botany and also the liberal arts students taking the general courses. Dr. George Bijjani teaches student nurses from the Jameson Hospital in New Castle, as well as courses in geology and genetics.

Each spring finds students from the department on field trips to acquire specimens to later observe in lab. Beta Beta Beta, the biology honorary, conducts a blood typing program for the entire college each spring.

BUSINESS EDUCATION

Shall we give them the word on this latest

"Training people of culture to perform office functions and to take the lead in management" is the aim of the business education department on Old Main's third floor.

Under the direction of Mr. Robert F. Galbreath, Jr., the department offers both a two year and a four year secretarial course in addition to a teacher training program. The use of visual aids in typing, shorthand and accounting was introduced this year to supplement other methods of training future secretaries and business education teachers. Rho Gamma is the department's honorary.

Assisting Mr. Galbreath are Miss Elsie Hileman and Miss Margaret Gamble, a newcomer to the staff.

CHEMISTRY

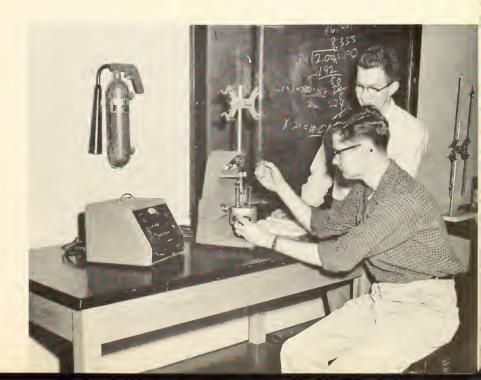

It bleaches as it whitens

Two new professors joined the Chemistry department this year. Dr. Herman DeHass, assistant professor, is a graduate of Westminster. He recently completed work on his Ph.D. at the University of Michigan. Mr. J. Clyde Amon, visiting professor, is also a Westminster graduate. He teaches the introductory, non-major chemistry course. Dr. Roger Max, professor of chemistry, is the chairman of the department. He spends part of his summers on duty as a member of the Navy Reserve.

Many of the students majoring in chemistry or other sciences are members of the American Chemical Society Club. This year they took tours of the Mellon Institute of Industrial Research, Gulf Oil Corporation and Jones and Laughlin Steel Corporation in Pittsburgh.

Science Fiction theatre

There's no business like big business

ECONOMICS and BUSINESS ADMINISTRATION

In the 32 years since its organization, the department of economics and business administration has become one of the largest in the college. Mr. Captain McKee, chairman, was the first and only instructor the department claimed in 1924. It now offers 28 courses.

At present the staff is comprised of four full-time professors including Mr. McKee, Mr. Paul Schwartz, Mr. Samuel Sloan and Mr. Albert Sweetser. Mr. Ronald Jones completes the staff as part-time instructor in business law.

It is the "business" of the department to offer the student a fundamental background in accounting, economics and business administration and to give him an understanding of the major current business issues. Organization, policy formation and operating procedures are also stressed.

It's not our fault Johnny can't read

DEPARTMENT OF EDUCATION and PSYCHOLOGY

Education and psychology certainly have their place in the Westminster College curriculum. A large percentage of students find their way into one of these departments during their four years of classes.

Dr. L. H. Wagenhorst directs this department which is responsible for both elementary and secondary teacher training, psychology and testing. The department continually attempts to meet the increasing demand for teachers and professional psychological workers.

Professors in this department include Dr. Wagenhorst, chairman; Mr. Ernest Saul, associate professor of education; Miss Beulah Campbell, assistant professor of education; Mrs. Mary Barbour, instructor in education and director of the kindergarten and Dr. Henry Van Houten, visiting professor of education.

Dr. A. M. Schmuller is assistant professor of psychology and director of testing. Other psychology professors include Mr. John Edwards, instructor and Mr. Chester A. Rininger, instructor, who replaced Mr. Claude Eckman second semester. Mr. Eckman was granted a sabbatical in order to do further work toward his doctorate at the University of Pittsburgh.

One of the most flourishing diversions of this department is the graduate section. In recent years this program has grown considerably and has received wide recognition. This year it is undergoing intensive study to determine how the department can be of better service in the field of education.

ENGLISH and

The movie was much better than the book

Much more is offered by the English department than the knowledge given to the freshmen on how to write a correct sentence. Aside from the definite practical benefits of correctness and effectiveness in writing, the staff helps the students enrolled in English courses to appreciate the beauty, truth and ethical values portrayed in literature through the ages.

Dr. George Bleasby is chairman of the English department and is assisted by Dr. Amy Charles, Dr. John Forry, Dr. Myrta McGinnis and Dr. Mary Purdy. The other members of the staff include instructors Mr. Charles Cook, Mr. Sherod Cooper and Mr. Paul Whitney. Dr. McGinnis left for a sabbatical in the spring to England where she will do research on the Old English period in literature.

Numerous student activities are sponsored by the English department. The literary magazine, **Scrawl**, publishes original creative work by the students and the magazine itself is criticized and organized by the student staff. A growing interest has been manifested in the annual Poetry Reading Festival which drew a large number of participants this year.

JOURNALISM

Miss Elizabeth Nixon's leave of absence, followed by her tragic death in January, left the journalism department without a full-time professor. To remedy the situation, six part time instructors taught journalism courses this year.

Dr. Myrta McGinnis, Mr. Vernon Wanty and Mr. Thomas Wiley of the regular faculty each helped. In addition, Mr. Catesby Cannon, assistant city editor of the Youngstown **Vindicator** and Mr. Robert Jackson of the **Vindicator's** New Castle bureau, gave of their practical newspaper experience. Mr. Irvin Eubanks, advertising counselor from New Wilmington, taught that subject.

Attempts are being made to secure a full-time permanent faculty for next year. Meanwhile the journalism majors continue to gain valuable experience on the publications.

Sure, Dick Tracy is good, but this Peanuts

We're sure glad that convention is over

HISTORY, POLITICAL SCIENCE and SOCIOLOGY

The success of the Mock Convention in April was largely the work of the students and faculty of the History, Political Science and Sociology departments. Patterned after the actual national meetings, the convention proved to be an education in government as well as an entertaining experience for the large crowds that attended.

Phi Alpha Theta, history honorary, chose Washington, D. C., for their annual trip this year. The group visited the Capitol, Foreign Embassys, Congress and numerous other

points of interest in their three day tour. This group, International Relations Club and other activities keep the future historians, politicians and sociologists busy.

Two new men came to the department this year with impressive backgrounds. Assistant professors Dr. Charles Edwards and Dr. Arthur Jensen joined Dr. Delber McKee, assistant professor of history, and Mr. George Masterton, instructor in sociology. Dr. Wallace Jamison is chairman of the department.

Bridie Murphy in Greek, too?

LANGUAGE

Parlez-vous francais? If not, sign up in the language department and take a course from Miss Alice Ligo in French. If your interests are in German, try Mr. Walter Biberich where you will not only learn to speak German, but also learn to sing German songs. If you ever have had visions of castanets or bull fights, Mr. Thomas Wiley, professor of Spanish, is the man to see. Or if your mind is of a classical turn, you may want to learn Greek or Latin from the chairman of the department, Dr. J. Hilton Turner.

As in previous years, Mr. Biberich conducted his annual tour for American students in Europe, bringing back new experiences to share with the school.

The honoraries connected with this department include Delta Phi Alpha, German; Eta Sigma Phi, classical languages and Epsilon Phi, local romance language honorary.

MATHEMATICS

This one will really stump them

Mr. Paul Brown, assistant professor, and Mr. Merrill Palmer, instructor, make up the faculty of the Mathematics department.

It is possible for a student majoring in mathematics to work either for the B.A. or the B.S. degree by following the appropriate program. Most of the students in the department are planning careers in the teaching of mathematics, in research or in industry.

Kappa Mu Epsilon, mathematics honorary, has more than 25 active members. The group holds meetings monthly under the sponsorship of the mathematics department.

MUSIC

Have you tried the Rock 'n Roll waltz

The music department is without a doubt one of the most active on campus. Mr. Donald Cameron, chairman of the department, is conductor of the college band and is director of the Artist Course. As head of such a vital and alive department Mr. Cameron is kept busy with student conferences, band rehearsals, correspondence for the conservatory and other routine work.

Five full-time and three part-time instructors make up the staff for the department. Mr. John Huyck and Mr. Clarence Martin are instructors of voice. Piano instructors are Miss Dorothy Kirkbride, Miss Ada Peabody and Mr. Dallmeyer Russell. Mr. Arthur Birkby is instructor of organ and composition, while Mr. Frank Barbato is instructor in brass instruments and Mr. Albert Caldrone is instructor in woodwind instruments.

Mr. John Huyck came to Westminster in the fall from Keuka College in New York where he had been instructor in voice and music appreciation.

Miss Lucille Cummings, noted contralto, visited the campus this winter as part of the year's Artist Course. Mr. Rafael Mendez, famous trumpeter, was guest soloists with the college band in the annual spring concert presented at the Field House. Mr. Mendez was also booked as part of the Artist Course. This was his third appearance on campus.

The concert choir is under the direction of Mr. Clarence Martin who also conducts the Sunday evening vesper choir. This year the concert choir took a four day tour between semesters, visiting United Presbyterian churches in Pennsylvania, Delaware, Virginia and Maryland. The choir also presented a concert in the fall.

Five students represented Westminster at the Pennsylvania Intercollegiate Band Festival in Mansfield, Pennsylvania. Six choir members attended the All-State Collegiate Choral Association Festival at the Drexel Institute in Philadelphna.

PHYSICS

Shall we buy a new erector set?

My wife wants me to fix the lamp plug \ldots .

Dr. Robert Woods, chairman, Dr. John Albright and Mr. Clyde Amon make up the staff of the physics department.

Approximately 75 students were enrolled in physics classes this year. Twelve students are physics majors.

Dr. Albright came to Westminster this fall as a visiting professor from the University of Rhode Island where he was chairman of the physics department. Mr. Amon, visiting professor, is an instructor in chemistry and physics.

PHYSICAL EDUCATION

The lineup

"Running the mile" or those horrible tank suits are vivid memories to every Westminster student. They are included in the two years of physical education courses required of each man and woman. Many upperclassmen continue to take advantage of the fine athletic facilities by participating in the intramural football, basketball, and softball programs, Women's Athletic Association, Mermaids and other activities.

Athletic Director Grover C. Washabaugh is in charge of the department. A newcomer, Miss Marilyn Dimitroff, instructs the women in gym and swim classes. She is assisted by Mrs. Helen Williams. Mr. Charles Ridl directs the men's gym classes with Mr. Harold Burry teaching swimming.

SPEECH

Unaccustomed as I am to public speaking

Would you like to acquire poise, character, competence and straight thinking all at once? No, this is not an advertisement for a ten day personality course, but to tell you that the speech department offers all these benefits. The bustling department is headed by Mr. Donald Barbe and consists of instructors Mr. William Burbick, Miss Charlotte Forsberg, Mr. Melvin Moorhouse and Miss Leone Westover.

In addition to the regular courses

offered in speech making, interpretive reading and dramatic art, the speech professors direct the Little Theatre plays. Talented students portrayed everything from monkeys to old women in the Theatre this year. Productions given included "Two Blind Mice," "Noah" and "Candida." As in previous years, Mr. Moorhouse coached the debate squad which participated in numerous debate conventions and tournaments.

KINDERGARTEN

Westminster takes 'em young

Westminster takes 'em young! If you don't believe it, just take a walk down to the barracks where you will find a beehive of action, as the active five-year-olds are being trained for first grade.

Started in the fall of 1952 by arrangement with the Pennsylvania department of public instruction, the college kindergarten has well proved itself as both a service to the community and as a practical training medium for elementary education majors. Each year the kindergarten helps approximately 40 children from the district and as many college students, who gain experience in teaching pre-school children.

Mrs. Mary Barbour is director of the kindergarten division of the education department. The students plan the program and help carry it out in actual instruction.

High on the list of activities for the kindergarten is the annual graduation ceremony. Plays and similar projects add variety to the regular activities of art work, music, reading readiness, creative work shops and supervised play.

THE ACTIVITIES

STUDENT CONDUCT

Seated—M. A. Gildersleeve, Mrs. Martha Whitehill, S. Charles

Row 2—F. Dickson, C. Cashdollar

At all times a Westminster student is held accountable for his behavior in accordance with college rules of conduct. This committee deals with cases of misconduct by a student on or off campus.

The committee consists of student and faculty members who hear the cases and make recommendations concerning disciplinary action.

PAN-HELLENIC COUNCIL

Sponsoring inter-sorority activities, teas and a fashion show are a few of the many responsibilities held by the Pan-Hellenic Council. Composed of two representatives from each sorority, the Council is the governing body of the six national affiliated sororities on campus.

Questions on rushing, social standards, pledging and initiation are directed to this group. Its main function is to coordinate inter-sorority relations and govern the Greek womens' activities.

President this year was Alice Paul. Advisors are Mrs. Martha Whitehill and Mrs. Caroline Hinkley.

Seated—Mrs. M. Whitehill, V. Harl, A. Paul, C. Gallwits, Mrs. C. Hinkley
Row 2—E. Shaw, D. Gething, B. Wagner, J. Aungst, B. Bachman, M. Wolk, D. Phelps, M. L. Walker

INTER-FRATERNITY COUNCIL

Social standards and fraternity calendars are set up by the Inter-Fraternity Council. It has much the same duties as its counterpart—Pan Hellenic Council.

I.F.C. consists of three members from each of the four national fraternities on campus. They formulate rules concerning rushing and dates for pledging and initiation.

This year the annual Inter-Fraternity Council formal was held during Greek Weekend. William Jackson was president for this year.

Seated—R. Kelsey, K. Hofrichter, W. Jackson, F. Wilgocki, R. Scott Row 2—R. Detrick, J. DeBolt, A. Roe, F. Dickson, H. Obley, J. Dorsch

STUDENT COUNCIL

Student Council is the main student governing body on campus, and is the intermediary between the administration and students.

The organization consists of nineteen members elected by the student body and meetings are open to all who wish to attend.

Some of the events sponsored by Council are the Homecoming Weekend, Migration Day, Who's Who and the Campus Queen Contest. Other activities are the WUS campaign, Sing and Swing, Parent's Weekend and the May Day events in co-operation with Y.W.C.A.

President this year was Robert Peterson and faculty advisors were Miss Beulah Campbell, Dr. Joseph Hopkins, Mrs. Martha Whitehill and Mr. John Edwards.

Seated-J. Stewart, J. Aungst, R. Peterson, M. Wolk, Mrs. M. Whitehill

Row 2—R. Veon, V. Dickson, M. L. Mansell, M. Steadman, P. Bowley, B. Wagner, P. Adams, D. Garver

Row 3-D. Marsico, H. Obley, H. Humes, E. Degitz, C. Cashdollar

SENATE

Seated—V. Minor, C. Paulie, R. Smith, A. Paul, P. Fitzgerald, Mrs. M. Whitehill

Row 2—S. Charles, M. A. Gildersleeve, D. Boyle, C. Mohr, M. Harrison

Row 3—R. Foster, J. Wilson, P. Hayman, D. Wallace

Representing the resident women, Senate is the womens' governing body whose members include two juniors, two sophomores, two freshmen and one representative from each sorority house.

Senate works in conjunction with the office of the Dean of Women and legislates and enforces the regulations applying to Westminster co-eds.

Perhaps the best quotation to sum up the duties of Senate would be, "Senate represents all resident women of Westminster and our interests are yours."

President this year was Alice Paul.

SCHOLASTIC HONORARIES

In addition to the organization of a disciplinary and legislative nature, several honoraries consist of those students who are leaders in campus service, character and scholarship.

One of these groups, Who's Who in American Colleges and Universities, consists of senior men and women who have proven themselves to be capable leaders in all phases of campus activities and scholarship.

Of the other three groups, Mortar Board is the senior women's honorary, Cwens is the sophomore women's honorary, and Pi Sigma Pi is the scholastic honorary which eventually hopes to become a chapter of Phi Beta Kappa.

MORTAR BOARD

Seated—C. Jones, M. L. Walker, K. Johnston, S. Domin, Mrs. M. Whitehill Row 2—M. Williams, M. Wolk, L. Adams, C. Galbreath, C. Gallwits

Senior women outstanding in leadership, scholarship and personality are eligible to become members of Mortar Board, the senior women's honarary. These women are active in sponsoring scholarship and campus service.

Some of the activities of this group are a bake sale, counselling service for freshman women, selling date books and holding teas.

Kathleen Johnston was Mortar Board president this year. The Mortar Board women for next year were tapped during the Tap Day chapel April 13.

CWENS

Welcoming freshman women, helping with freshman week orientation and tests and acting as a service group to organizations on campus are only a small part of the activities of Cwens, sophomore women's honorary.

Cwens are selected at the end of their freshman year and membership is based on scholarship, leadership and activities

Other Cwen activities include sponsoring two annual dances, selling mums at Homecoming, holding a tea for freshman women and aiding in Parents' Day plans.

Virginia Dickson was president this year. Mrs. Martha Whitehill and Miss Jane Hawkins act as advisors.

Row 1—Miss J. Hawkins, M. Mansell, C. Paulie, V. Dickson, J. Wilson, Mrs. M. Whitehill Row 2—J. Wilson, A. McDowell, D. Barnshaw, M. Wasser, G. Dewar, B. Bemis, D. Kelsey Row 3—C. Roberts, P. Kemp, C. Jones, R. Foster

PI SIGMA PI

Seated—R. Smith, D. Migliore, L. Daugherty
Row 2—C. Galbreath, K. Johnston, L. Adams, R. Peterson, J. Keefer

Westminster students with a high scholastic ranking are recognized by being initiated into Pi Sigma Pi, local scholastic honorary. Candidates for the B.A., B.S., and B.M. degrees who have attained a 2.4 average or better at the end of five semesters are eligible.

The main activity of Pi Sigma Pi is conducting an annual campaign to increase the book volume in the library, with the aim of eventually obtaining a chapter of Phi Beta Kappa, national scholastic honorary, on campus.

Daniel Migliore was president of the organization for this year and Dr. Mary Purdy acted as the advisor.

WHO'S WHO

Each year a number of seniors are chosen by Student Council and other group representatives and named to Who's Who in American Colleges and Universities.

This honor is given on the basis of high scholarship, campus leadership, character, personality, and potentiality. This year twelve Westminster seniors were named to Who's Who.

Row 1—Lorraine Adams, Kathleen Johnston, Marion Wolk, Roberta Smith
Row 2—Daniel Migliore, Margaret Williams, Robert Peterson, Carol Gallwits, Nancy Siehl, John
Stewart, Mary Lou Walker, Donald Patchel

DEPARTMENTAL HONORARIES

Not all honoraries exist only for governmental or scholastic purposes. Westminster has fourteen honoraries which are connected with major departments, and play an important part in a student's social and academic life.

Requirements for membership in these honoraries are scholastic standing, leadership, and participation in the designated department, including a required number of hours and a B average in the departmental subjects.

New members are recognized on Tap Day and invited to membership in the national honoraries.

ARGO

One major change that all concerned will be happy to see is the date of this year's **Argo.** Each year it seems customary on this page to explain why the yearbook is dated one year ahead. That "tradition" can be done away with, because after this year when the yearbook is labeled with 1957, it will be for 1957 and not for 1958.

The **Argo** like the **Holcad** was named for a ship in Greek literature which carried Jason and the Argonauts in search of the Golden Fleece. In years to come as you search out memories of college days, may you find just those pleasant experiences and happy memories in the **Argo** for 1955-56.

This year's staff included Milton Lodie, Editor; Marcia Vandermast, Associate Editor; Suzanne Essinger, Managing Editor; Carol Roberts, Editorial Assistant; Dean English, Sports Editor; David Sampson, Photographer; Albert Canon, Business Manager; and Clara Gillis, Typist. Mr. George Masterton is faculty advisor.

Sue Essinger, Ann Gamble, Dean English, Marcia Vandermast, Milton Lodie

HOLCAD

One of the most gratifying things that staff members hear when the weekly paper is late is, "Where's the **Holcad?"** The **Holcad** is the students' interpreter, informer, and entertainer.

Each week a group of students get together the weekly campus paper. There are about 30 people who give of their time each week to keep the student body informed on current happenings.

The **Holcad** has a long history. It began in 1894, and was named after the Greek vessel, "Holkos."

This year's editorial board consisted of Dean English, Editor; Jeannette Traendly, Managing Editor; Ann Gamble, News Editor; Ann Price, Feature Editor; Suzanne Essinger, Society Editor; James Falk, Sports Editor; Marcia Vandermast, Copy Editor; Stanley Caldarelli, Business Manager; and Andrew McKelvey, Circulation Manager. Mr. Charles Cook is faculty advisor.

SCRAWL

Scrawl, the campus literary magazine is published twice each year. All members of the student body are urged to contribute to its pages of prose, drama, poetry, fiction, and book reviews.

Each issue has a central theme, usually a quotation, and several prizes are awarded by various groups on campus for outstanding works in each issue.

The Fall issue was edited by Marion McConnell Wolk; the Spring, by Jeanne Douthett. Dr. Myrta McGinnis and Mr. Paul Whitney were advisors first and second semesters respectively.

PUBLICATIONS COMMITTEE

Seated—Dr. Jöhn Forry, M. Wolk, Dr. Myrta McGinnis, Dr. George Bleasby Row 2—M. Lodie, D. English, Mr. Paul Gamble, Mr. Ross Ellis, Mr. Charles Cook

Problems of campus publications are taken care of by this group composed of Dr. Bleasby, chairman, the editors and advisors of the three campus publications, Mr. Gamble, editor of the **Blue and White**, the academic dean, and the business manager of the college.

The committee was formed to serve as a connecting link between the administration and the student editors. It discusses the policies of the various publications, and also acts on appointments to the editorial positions.

CHEERLEADERS

With pep and enthusiasm the seven cheer-leaders in their white sweaters and blue and white striped skirts lead the Westminster family in cheering the Titan teams to victory. Led by co-captains Jane Longnecker and Marlene Rahenkamp, the girls also lead the pep rallies held before the big football games and as an additional activity hold a record dance each year.

MAJORETTES

Marching in front of the Westminster band the majorettes give that added touch to the activity that marks the half time ceremonies at Titan sports events. Led by captain Ruth Girty, the majorettes go through their routine at the Titan football games and this year also performed at the home basketball games.

Westminster's Debate team, under the direction of Mr. Melvin Moorhouse, fell just short of the 500 mark for the season.

Ten men and five women participated in the 72 debates this year. Included in these 72 debates this year were tourneys, dual meets and public presentations.

"The Guaranteed Annual Wage" was this year's debate topic and it was resolved that the non-agricultural industries should guarantee their workers an annual wage.

The climax of the season came when Westminster repeated last year's performance by winning first place in both the men's and women's oratorical division in the State Forensic finals. These were won by Daniel Migliore and Carol Roberts. They also represented Pennsylvania in the National Competition at Northwestern University.

Beginning early in January a select group of Westminster women go down to the pool in Old 77 twice a week and begin practicing for their annual water show. The theme this year, Aquarama, was held from April 23 to 28 and also presented on Parents Day. The Mermaid president and coreographer was Kathleen Johnston.

MAY QUEEN

Mary Lou Walker—the 1955 May Queen—reigned over the May Day celebrations last spring. Mary Lou, an elementary education major and member of Sigma Kappa sorority, led her court in the festivities of that day.

SOPHOMORE QUEEN

Sherry Franklin was crowned Sophomore Sweetheart at the annual sophomore dance in Old 77. Sherry is an elementary education major and member of Sigma Kappa sorority.

HOMECOMING QUEEN

At the Homecoming Dance in Stambaugh Auditorium, Youngstown, Nancy Siehl was crowned 1955 Homecoming Queen by bandleader Larry Sonn. Nancy is a senior elementary education major and a member of Alpha Gamma Delta sorority.

BLOCK W QUEEN

At the annual Block W dance this spring Nancy Zahn was crowned Block W Queen for 1955-56. She was selected by the members of the lettermen's club. Nancy is a junior elementary education major and a member of Sigma Kappa sorority.

Always getting into the picture

The Dance of the Year, the football game with Allegheny, and decorated dormitories, sorority and fraternity houses highlighted the annual Homecoming Weekend, November 4-6.

Nancy Siehl was crowned Homecoming Queen at the dance on Friday night in Youngstown's Stambaugh Auditorium. Members of her court were Jean Aungst, Virginia Dickson, Roberta Foster, Carole Jones, Virginia Minor and Mary Lou Walker. Larry Sonn and his band provided the music.

Saturday the football Titans defeated Allegheny 34-0 At the half time ceremonies the Queen and her court were presented and awards made to the winning dormitory, fraternity and sorority for their Homecoming decorations. Russell Hall won the dormitory prize, Alpha Sigma Phi and Alpha Gamma Delta won the fraternity and sorority prizes.

Rounding out the weekend was the Homecoming supper for alumni held at Hillside on Saturday evening and the Alumni dance in Old 77 Saturday night.

The Reverend Mr. Paul Musser is a newcomer to the staff this year and has capably handled his duties as college field representative. In this capacity Mr. Musser acts as a liaison between Westminster and the churches and synods connected with the college.

LITTLE THEATRE

Long hours of rehearsal, hammering props together and painting scenery,—all are part of the activity that takes place when the Speech department readies another play for Little Theatre production.

Now in its 26th year, the Little Theatre presented three plays during the 1955-56 season; Three Blind Mice, Noah, and Candida, a comedy, a fantasy, and a serious dramatic play.

This year during commencement weekend the Little Theatre players presented "A Man Called Peter" in connection with the commencement speaker, Mrs. Catherine Marshall.

Alpha Gamma Delta won the Homecoming decorations trophy after hours and hours of work in the snappy weather. An event the Alpha Gams will always remember was the crowning of Nancy Siehl as Homecoming queen at the Homecoming dance in Youngstown.

Ghosts, pumpkins and witches set the mood for the annual all-sorority Halloween party given by the girls.

"Windy Whirl", an all-college dance, was given in Old 77 by the sorority to raise funds for the Cerebral Palsy Campaign. Pledges and members entertained Mrs. Marcia May Horton Glauner, third national vice president, who visited the chapter.

Marilyn Steadman was chosen Sigma Phi Epsilon sweetheart queen at their annual sweetheart dance.

The year came to a hectic but happy close with the end of Sing and Swing practices, spring formals, spring houseparties and finally graduation.

Beta Sigma Omicron was proud and excited when Jean Aungst was chosen the "Ideal Member" of Beta Sigma Omicron National Sorority from other candidates throughout the United States. The choice of candidates was based on honesty, character, scholarship and personality. Jean is wearing a special diamond pin for a year designating the honor bestowed upon her.

The Beta Sigs held their annual Ice

Cream Social this spring. A tea was held late in March for the fraternity pledges.

Beta Sig pledges were kept busy with their pledge project of painting the kitchen of the house.

Formals, pledge dances, houseparties, teas and other social functions caused the girls to think back on their 1955-56 college year as one of the happiest they have known.

Chi Omega's annual Pancake breakfast was welcomed by all of the sororities this fall. The annual Easter Egg Hunt for the faculty children in the spring was as always a success. It is debateable as to who enjoys the hunt more, the hostesses fascinated by the children or the children intent on their hunting.

The girls were victorious in the line of sports this year. They won the intramural sorority volleyball and basketball tournaments.

The pledges surprised and awed the members with the realistic features of the Pledge Dance. They worked frantically until the last minute to make the dance a success.

The pledges worked hard all year at their pledge project—keeping the house and the small pond attractive. A thorough cleaning was given to the pond this year by the enthusiastic pledges.

Kappa Delta girls were rushed into the semester with the flurry of Homecoming, house-parties and dances. One of the parties the K D's gave in the fall was the annual Coffee Cozy given for the other sororities on campus.

Mrs. Elizabeth Higbee, province president, was entertained by the girls in the fall.

The pledges delighted the members with the pledge donce theme "P. S. Kappa Delta." The dance was a takeoff on "H.M.S.

Pinafore." Time, hard work and wonderful fun went into the preparation for the event.

The girls found an exciting way to help other people at Christmas time. They sponsored a family during the Holiday Season and found much joy in seeing someone in need cared for. The girls also sponsored their annual spring party for the children of the Mercer Children's Home. This event is awaited anxiously and excitedly by the homeless children.

The Alpha Sigma Phi fraternity chose a Sig Kap as their sweetheart Queen, Ginny McMahon, at the Christmas dance held in Pittsburgh. When Sherry Franklin was called to the platform and crowned queen of the Sophomore Sweetheart Dance the girls were proud of another of their sisters.

The annual intersorority card party found the Sig Kaps as hostesses to the other sor-

ority girls. Another pleasant event was entertaining the housemothers of the college at a breakfast.

The girls were pleased to be able to entertain one of their traveling secretaries, Miss McCaw, this spring. Some other highlights of the year included presenting a Christmas program for the people of the Overlook Sanitarium. The children in the United Presbyterian Orphanage at Mars look forward eagerly to the party which the Sig Kaps present each year.

Theta Upsilon started the year with its annual Donut Dunk entertaining all of the sororities. December found the pledges planning and preparing for a slumber party in the house. This is one time of the year when pledges and members join together in having one of the best times of the year.

Miss Schwegler, province president, visited the Theta U's in January and special meetings, parties and get-togethers were

planned during her visit.

One of the brightest highlights of the year took place when Diane Levy was chosen as the outstanding junior woman of the year.

In March the pledges presented a house party with "Komic Kapers" as the theme. The theme was carried out in a masquerade fashion and was the most clever dance of the year. The TU's will never forget their 1955-56 year of college.

from him!

QUADRANGLE

Houseparties, a tea and open house for freshman women, and sponsoring an all-college dance in Old 77 kept the Quadrangle members busy during the school year.

One of the highlights of the year was the collecting of clothes for the Frenchburg Mission School in Frenchburg, Kentucky. The Quadrangle women also presented a program at the Elmira Home for the Aged in New Castle.

Romaine Gardner was president of the independent women's organization. Rachel Gibson was vice president, Mary Goltaire served as secretary, and Evelyn Dull held the office of treasurer.

From rushing in the fall to Sing and Swing in the spring, the sorority girls' days are jammed full. Working on this committee or that, decorating for houseparties and slaving over Homecoming decorations are only a small part of sorority activities.

Somehow time for studying for that all-important test is crammed into a busy schedule which includes keeping after that "certain" freshman girl during those hectic rushing days and going to football and basketball games in the fall and winter.

But social life is not all casual. There are those annual teas, and receptions, and formal dances—all of which are an important part of college life.

In the spring come more houseparties, and of course Sing and Swing practice, Parents' Day, May Day, the sorority spring formals, serenades so many things which will long be remembered.

And not only are the big events important, for long after graduation these events will have a special meaning for each girl as she looks back over her sorority days.

The Alpha Sigs started the year off successfully by taking the trophy in the annual Homecoming decorations competition. Pittsburgh's William Penn Hotel was the scene of the Christmas Formal, the social highlight of the year. A glee club formed early in the year entertained at several serenades and parties. Banquets, house parties and intramural sports made up a busy year for the fraternity. Officers were Frank Dickson, president; Glenn Flinchbaugh, vice-president; Robert Hill, secretary and Robert McFarland, treasurer.

Major improvements were made on the Phi Kappa Tau house this year as the fraternity men bought a new furnace, painted the house, added a new television set and made other changes inside and out. One of the outstanding additions was the scholarship cup for the highest fraternity average for the year. Roger Kelsey was president with Jack Heckerl as vice-president, Ray Heid as secretary and James as treasurer. The Christmas formal at Squaw Creek Country Club and the Spring Sweetheart Formal in Youngstown were enjoyed by a large number of Phi Taus and their dates.

The chapter added two trophies to its large collection by winning both the intramural football cup and the basketball cup. Pledges renovated the entire house and with the help of the actives, purchased a television set. The social highlights of the year were big successes. The Christmas dance was held at the Churchill Valley Country Club in Pittsburgh with the big spring formal at the Butler Elks Club.

For the fifth straight year the Titans finished their football season with a winning record. The six victories and one tie recorded in the 1955 season gave them their second undefeated season in history and a sensational three year total of 20 victories, one loss and one tie. Thus, the team of head coach Harold E. Burry and assistant Charles "Buzz" Ridl compiled a record of 26 victories, three losses and one tie for their four seasons at Westminster.

It was a team of record breakers. Since losing to Carnegie Tech in September, 1954, the Titans have gone through 13 games without defeat, for the college's longest undefeated streak. Prior to the Waynesburg tie, the Titans set a victory string of 10 games in a row.

Davis

Standout junior halfback Bill "Whizzer" White led all Pennsylvania scorers with 12 touchdowns for 72 points and a modern Westminster scoring record. In addition he gained an average of over eight yards each of the 83 times he carried the ball.

The usual formula used by the strong Titans this year was to hit hard and fast early in the first quarter and then let the reserves preserve the lead. They finished with an average of four touchdowns per game while limiting their opponents to less than six points per contest. Such a strong defense did the Titans put up that they were behind in a game only once in the entire season, that by a 7-6 count to Geneva early in the first quarter.

Thiel opened the season with Westminster in New Wilmington and the home team picked up its first victory by a 20-7 score. Thiel fumbles set up two of the touchdowns as White scored for the first time on an 89 yard run. Quarterback Harold Davis plunged one yard for another score and threw a

40 yard pass to fullback Tom McGrath for the other score. All Westminster's points were scored in the first half with the Tomcats adding theirs in the third period.

A new opponent, Bluffton College of northern Ohio, proved no match for the powerful Blue and White. The Titans tied a school record of eight straight wins with the easy 26-0 drubbing. Westminster scored the first two times they got possession of the ball with Davis running the opening kickoff 98 yards to a score and White racing 38 yards for the other six-pointer.

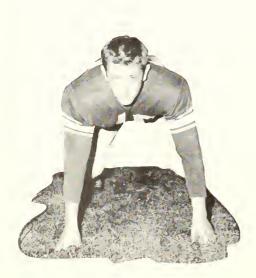

Sylvester

White

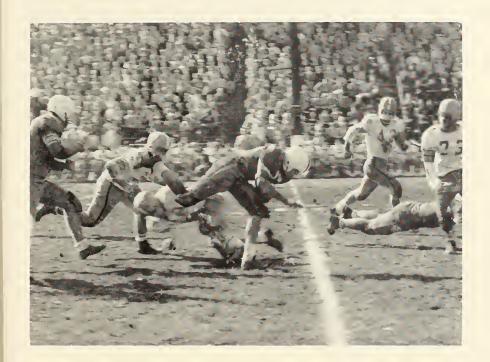

Taylor

White added runs of eight and 56 yards for other scores in the first eight minutes of playing time before the regulars were benched for most of the remainder of the game. Bluffton threatened only once by pushing to the one yard line late in the first quarter only to lose the ball on a fumble.

A solid defense that allowed only 53 yards was instrumental in defeating Grove City, 34-0, as the Titans left home for the first time.

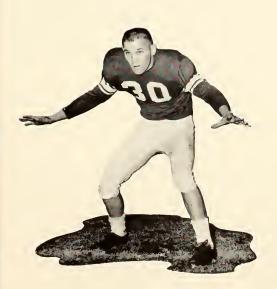

White added two more touchdowns to his total while Davis, Vince Cortese, and freshman George James scored the others. Center Bill Freshwater booted three extra points as coach Burry again gave his reserves plenty of playing time.

The first scare of the season came at Beaver Falls where a large Migration day crowd of Westminster fans saw the Titans smash Geneva, 33-7. The Covies scored in the first period for the first tally in a Westminster game since 1950.

McGrath

Morrell

The hard running, hard hitting Titans proved too much for Geneva, however. They struck early with White running 58 yards for a score on the first play from scrimmage. Geneva came back quickly and became the only team to lead the Titans all season with a short-lived 7-6 margin. Davis, with two TD's, and White and halfback Jay DeBolt with one, put Geneva down for another year.

Playing in the mud and rain at Waynesburg, the rampaging Titans were finally slowed, but not stopped in their quest for an undefeated season. With their single wing working well under bad playing conditions the Yellowjackets held Westminster to a 7-7 tie.

A 55-yard pass to end Jim Falk in the second quarter set up the only Titan score with halfback Jack Barnes tallying on an eight yard pass from Davis. DeBolt scored the all-important extra point on another pass.

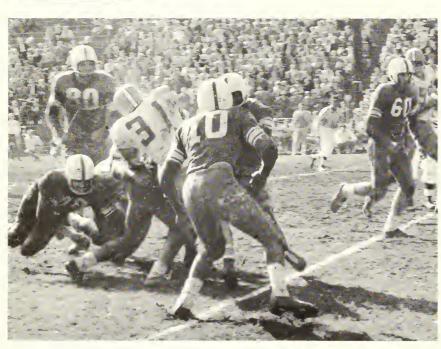

Not until late in the third period could Waynesburg get across with the aid of a five yard penalty to the two where the rough Titan forward wall of Center Bill Freshwater, Guards Walt Sylvester and Bill Morrell, and tackles Joe Roman and Al King yielded very slowly to the attack.

Back in New Wilmington for the Homecoming game with Allegheny, the Titans showed well before a large crowd as they won, 34-0. White scored three times again, running 83, 56 and plunging one yard for the touchdowns. In eight tries he averaged a sensational 20 yards per try for the day.

Jay DeBolt and George James scored additional touchdowns with Bill Moss and Freshwater booting the extra points. Again coach Burry cleared the bench as the Titans outclassed their opponents.

In the hardest played game of the year the Titans finally wore down Slippery Rock to win, 29-19. Again striking early, Westminster scored the second time they got the ball with DeBolt going 23 yards for the only score of the first half.

DeBolt

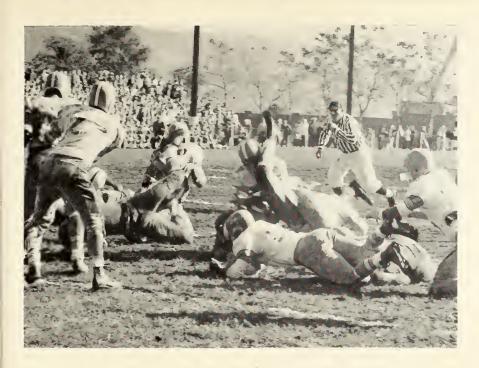

Freshwater

Both teams exploded in the second half, however. White scored early in the third period; the Rockets came back fast with the aid of a long punt return. Five minutes later Westminster recovered a fumble and DeBolt tallied from the 23 again. But the teachers came back with a sensational 99 yard kickoff return.

McGrath took a 42 yard pass from Davis for another score so the Blue and White led by 14 points. A 70 yard Rocket march to scoring territory continued to give the Titan fans a long afternoon. Not until late in the final period when Vince Cortese drove a field goal through the bars from the 10 yard line was the game insured for Westminster, 29-19.

One of the biggest disappointments of the year was the cancellation of the final game scheduled with Carnegie Tech at Forbes Field in Pittsburgh. An early morning snow prevented the protective canvas from being removed from the playing field. Attempts to re-schedule the contest for the following Wednesday night or Thanksgiving day did not materialize so the Titans were unable to revenge their lone defeat in three years.

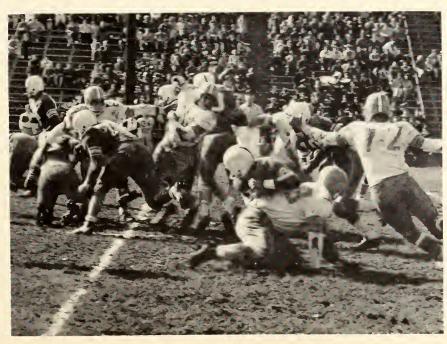

Cortese

Seniors playing their last games for the Blue and White included captain Walt Sylvester, who was honored by being named to the Associated Press all-state squad. Others were fullback Tom McGrath, lineman Pete Houston, end Fred Wagner and tackle Dave Ammon.

Other underclassmen who saw plenty of action were linemen Bernie Taylor, Perry Kirklin and Jack Lewis, and backs Dick Uncapher and Steve Kosko.

Team statistics for the year revealed the Titans gained an average of 342 yards each game while allowing the opposition only 174.5. Trailing White in individual rushing were Davis with 255 yards in 66 tries and DeBolt with 193 in 42 carries.

Passing records showed Davis led the passers with 28 completions for 554 yards and seven touchdowns. McGrath, with 6 passes caught for 160 yards, and Cortese with 8 for 116 yards, were the leading receivers.

THE TOWERING TITANS

With both experienced veterans and outstanding newcomers giving outstanding performances, the best the Titan basketball squad could do for the year was a 13-11 record. Despite the dismal record for a Grover Washabaugh coached squad, individual performances and games will long be remembered by Titan fans.

Each of the regulars at one time or another was the game's high scorer. Unfortunately, second half lapses hampered the Blue and White throughout the 1955-56 season.

Junior center Jim Riley was high scorer for the third consecutive year. His record breaking performances brought him an honorable mention in Collier's Magazine's All-American team. The 6'5" ace has now scored more points in three years than any former Titan had tallied in four.

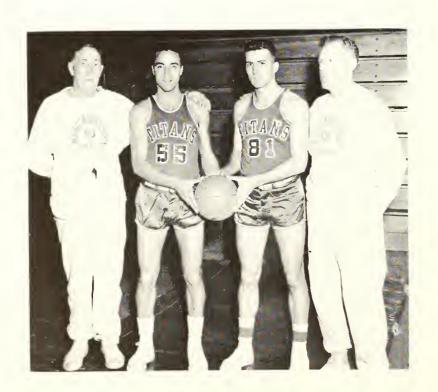

Riley

Westminster got off to a good start with two easy victories early in December as all members of the team got a chance to show their skills. Bethany was the first victim at home, 79-57, with forward George Strehler sinking 17 points. The Slippery Rock game was another one-sided affair as the Titans led throughout for a 96-67 victory. Co-captain Tony Stillson led with 22 points.

The Titans first appearance in the annual Steel Bowl Tournament at the University of Pittsburgh field-house gave an indication of things to come. Westminster was disappointing from the field and hit only 15 field goals to 28 for Pitt. Riley had 18 as the Titans lost 74-52. The following night, in the consolation game, the contest was close throughout, but Geneva won 60-57. Strehler led the scorers with 18.

Before the Christmas vacation the team got back on the winning trail with victories over Carnegie Tech and Waynesburg. The Tartans fell, 75-70 in Pittsburgh with Strehler again topping the field with 20 points. Co-captain Ron Tranter had 16 points as Westminster defeated Waynesburg 84-62.

Coach Washabaugh, Co-Captains Tony Stillson and Ron Tranter, Coach Ridl

Christmas holidays were shortened for the Titans with their participation in the Queen City Tournament at Buffalo, New York, with some of the nation's top teams. Westminster drew Georgia Tech for the first contest and went down to defeat, 65-56. Strehler was high man with 19 points.

In the consolation contest against Lafayette the Titans battled down to the wire, but lost 72-63. Reserve forward Bob Doran dumped five set shots to tie with Harold Davis for high scoring honors with 12 points.

Juniata College was a welcome breather for the Titans when school resumed after the holidays. Westminster won, 76-54 with Riley scoring 17. Pitt led by only one point, 39-38 at the half, but came on strong after intermission to win, 77-67 in the first meeting of the season. The Titans kept up to the Panthers from the field, but lost at the foul line. Riley again led with 20 points.

A lead of 47-37 at the half was not enough for the Titans in the Baldwin-Wallace contest. With Davis and Riley out on fouls in the final period, B-W won, 94-82. Strehler had his best night of the year as he tallied 27 points. Freshman guard Dave Rankin broke into the high scoring column with 22.

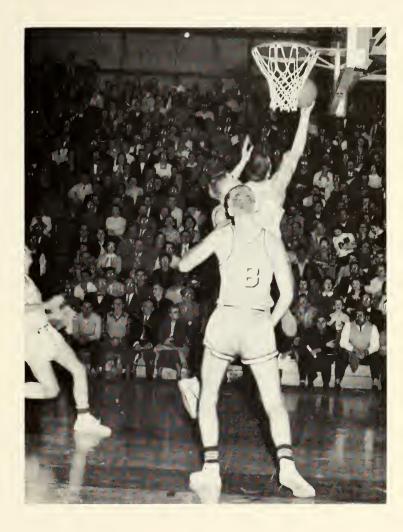

Youngstown University won its second game from Westminster in a 25 game series as the Penguins downed the Titans, 80-77. Jim Riley had 21 points with Dave Rankin getting 20. Again it was the foul line that told the story. In an attempt to break the losing spell, Coach Washabaugh played a two-platoon system against St. Francis. It was quite successful in the first half for a 38-38 tie at intermission as senior Steve Prokopchak starred.

Strehler

Stillson

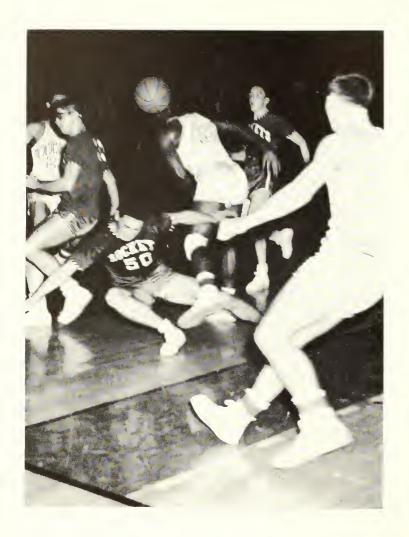

Almost not enough - - - -

But the Frankies pulled out in the second half for a 89-76 victory. Riley had 19 points for the evening's top. George Strehler had 20 points in a high scoring performance as Washington & Jefferson was defeated in New Wilmington, 83-55.

Showing the best comeback of the season, the Westminster team turned a 49-40 half time deficit into a beautiful victory over Bethany, 102-95. Hard driving forward Harold Davis was high man with 18 markers. Playing one of the strongest Geneva squads in history at Beaver Falls, the Titans were outplayed, 102-80. Davis was again outstanding with 23. The Baldwin-Wallace defeat was avenged at home, 89-84. Riley and Rankin were the big men with 24 and 22 points, respectively.

Doran

--- the Mad Scramble

Tony Stillson came through as the Blue and White easily got by Waynesburg at home, 95-60. His 21 points were high for the evening. Riley had one of his best nights in his career against Youngstown as the Titans won at home, 95-82. The big center had 11 field goals and 12 fouls for 34 points. At Pittsburgh the Titans again lagged after holding a two point half time lead and lost to the Panthers, 77-71. Harold Davis gave an outstanding exhibition while scoring 25 points.

The most disappointing game at New Wilmington in many seasons was against Geneva on February 18. The Covies came into the contest with a 17-2 record, but found the Titans ready for them. The Blue and White jumped off to an early lead and were out front at the half, 40-27. But when starters Riley, Davis and Stillson fouled out in the final period, the Covies came on fast. With 12 seconds left they went ahead for the only time in the game to win, 78-77. In the excitement Jim Riley set two all-time records for most points per game at 38 and most fouls, 20.

Rankin

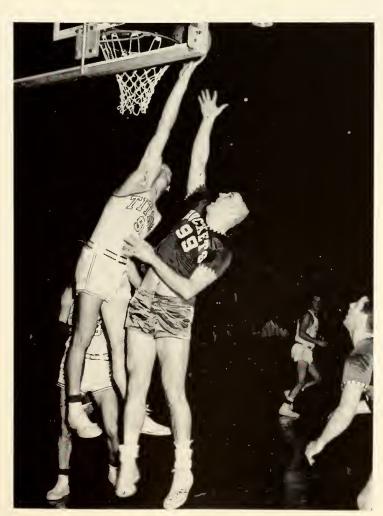

W & J was again an easy victim as they went down 82-50. Riley continued his high scoring with 24 points. With Rankin and Riley getting 22 points and Tony Stillson adding 20 more, the Titans could not be stopped and Carnegie Tech took its second defeat, 88-68. A strong second half proved to be the difference for the winners. The victory assured the Titans a winning season. Gannon College, which has never defeated Westminster, lost 93-60 to close out the season. Strehler had 16 to lead all scorers.

Rounding out four years of basketball for the Titans were four seniors. Veterans Tony Stillson and Ron Tranter were elected co-captains by the other members of the squad. Reserves Bob Doran and Steve Prokopchak also earned letters.

Point totals show Westminster scoring 79 points per game to 72 for the opponents. Riley tallied 428 points for a 17.8 game average. Strehler followed with 356 for a 14.8 average and Davis had 271 points, or 11.3 per game. Stillson, with 209, and Rankin, with 200 points, rounded out the top five for the season.

CROSS COUNTRY

Seated—A. Jackson, R. Klepser, M. Tolbert
Standing—E. Wilson (Manager), D. Sheraw, C. Garrett, P. Marshall, Dr. Wayne Christy (Coach)

Under their new coach, Dr. Wayne H. Christy of the Bible department, the cross country team compiled a record of two victories and four defeats. Two of the losses were by one point to the University of West Virginia and Carnegie Tech.

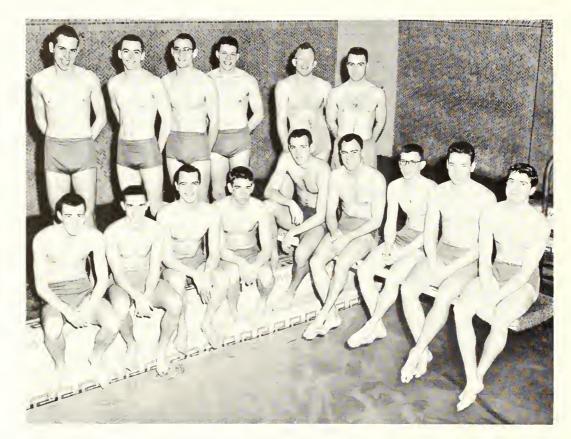

Veteran captain Don Sheraw was outstanding in victory or defeat and finished his four years as one of the best distance runners in the district. Other pointmakers included Marlowe Tolbert, Jack Stewart, Jim Osuna, Acy Jackson and freshmen Bob Klepser and Peter Marshall.

BASEBALL

With a veteran squad returning that had compiled a 10-3 record in the 1955 season, Coach ''Buzz'' Ridl had high hopes for this year's baseball squad.

Norm Paxton, Bill Freshwater, Bill Knab and Bob Duvall were expected to be pitching standouts with Bill Duvall, Steve Prokopchak, George Strehler and Steve Kosko as hitting and fielding leaders. A fifteen game schedule, including contests with Pitt and Duquesne, was played this year.

SWIMMING

Seated—D. Johnson, G. Weidner, B. Keppel, K. Wessel, F. Wagner, T. McGrath, L. Africa, J. Corbett, J. Long

Standing—R. Buckingham, J. Paul, R. Stewart, H. Grip, R. Booser, D. Jaeger

Handicapped by sickness, the Titan swimmers won only one meet while dropping five. The disappointing season was salvaged somewhat, however, with a third place finish in the Penn-Ohio Association Swimming championships at Grove City. The relay team of Jerry Long, Tom McGrath, Ken Wessel and Fred Wagner swam the 400 yard free style relay in 3:50.3 for a new meet record.

The lone regular season victory was at the expense of Slippery Rock while losses were to Allegheny, Carnegie Tech, W & J, Slippery Rock and Grove City. Senior Fred Wagner was elected captain and continued to break pool records throughout the district. Hopes are high for next year since coach Harold Burry will lose only three swimmers through graduation.

With many outstanding veterans returning Coach Harold Burry was again able to boast of one of the finest track and field squads in the district.

The team was out to repeat its outstanding 1955 performances in seven meets and the Tri-State championships at Allegheny College.

Veterans John Walker, Don Sheraw, Jack Stewart, Ken Wood, Bill Jackson, Jay DeBolt and Jack Barnes sparked the team along with a host of promising newcomers.

THE FORWARD LOOK . . .

In these days of rapid expansion no college should be left stagnant. Westminster is following the expansion trail by building modern buildings to meet the students needs.

This year, as in past years, the job of putting out the yearbook has not been an easy one. Without the gracious help of many people this book would not have been possible. Many long hours of preparation went to make up this final finished copy.

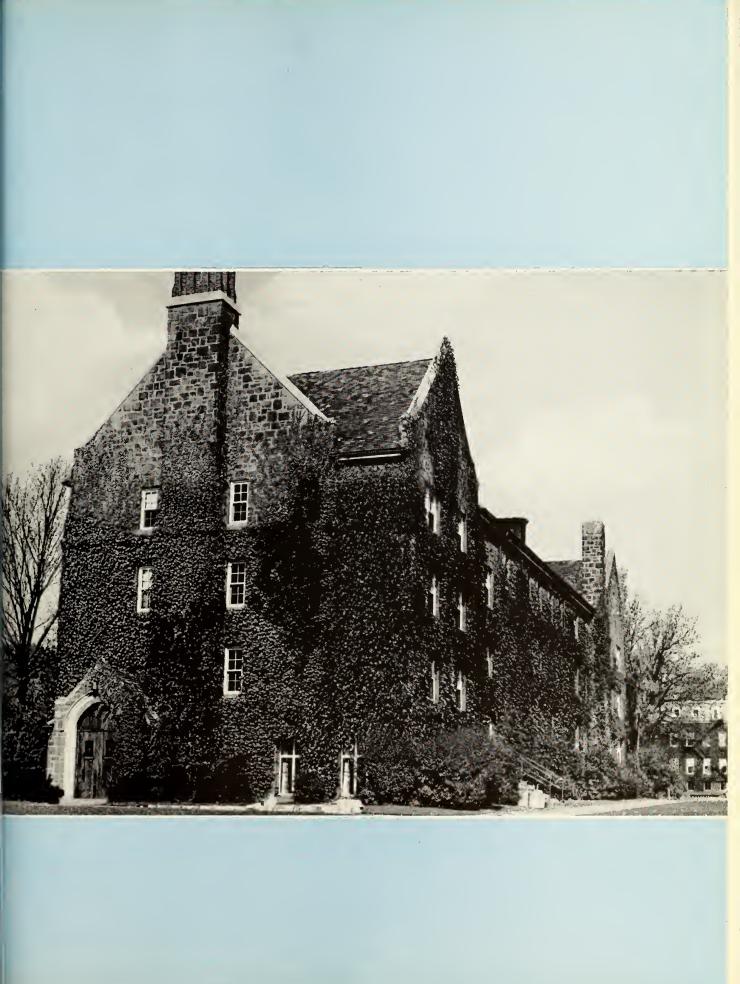

A simple "Thank you" seems inadequate for the help offered by these people. Gratitude is extended to Mr. Bill Abey of Abey Studios for many excellent pictures and being ever present when needed; to Mr. George Snyder of Youngstown Arc Engraving, for his patience and willingness to help; and to Mr. Alex Zebrun of Kurtz Bros., for his helpful instruction and his patience in waiting for copy prior to the final publication. Many thanks are also due Mr. Vernon Wanty, Donald Patchel and David Sampson for their valuable knowledge of photography.

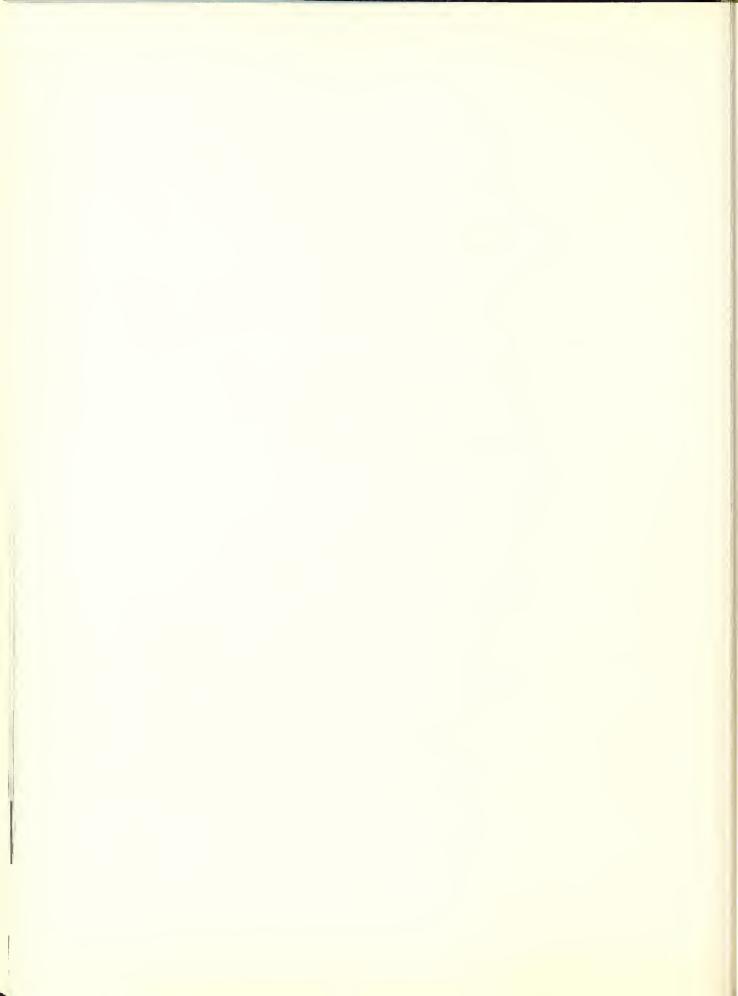

The staff, of course, comes first. Without those many long tedious hours of work this book would have been impossible. Special thanks is due to Mr. George Masterton our advisor whose active interest gave that extra needed push.

As you will notice on the cover, this is the 1956 **Argo** for 1956. We hope the change does not confuse too many people and we hope you enjoy **your Argo.**

A Fraternity is more than a group of fellows who wear the same pin. A Fraternity does more than throw novel house parties and formals, compete for trophies, and serenade girls' dormitories. These activities play a large part in college living, but the benefits gained from participating in fraternity activities plays a larger part in life as college days are left behind. The cooperation required to make all ventures successful can best be learned by working in a group, such as a fraternity, when people with varied interests meet to share their experiences. Fraternity life broadens the individual's interests and gives him a well-rounded personality as he completes his education.
